Brand New Book ***** Print on Demand *****.Logan Murphy, his younger brother James, his best friend Brianna Williams, and unlikely new acquaintance Carleto Santana teach and learn about teen life, responsibilities, friendship, character and overcoming stubbornness as millennials in the Mideastern city of Virginia Beach, Virginia. Stinking Thinking Isn t Cool! is the action-packed teenaged adventure telling of the power of choice--right thinking or wrong (stinking) thinking. Rich in humor, mood and character, Stinking Thinking Isn t Cool! fascinates readers with its changing nature of human motives leading to character building. On one hand, this is the exemplary story of Logan s enduring transition from innocence to the trials and tribulations of growing up as a teenager. Logan s hilarious escapades includes tossing the neighbors clock out the window to repair it, jumping in the lake to retrieve his father s gold watch, buying a dog and rabbit with his mother s grocery money, attacking a burglar, and outrageous thinking that seems to lead from one adventure to another. The choices that the teenagers make are all about exploring and pushing limits, preparing Logan and his companions to confront the world on their own. This book will keep generations of readers captivated and entertained as they work through their own stinking thinking.
