Not illustrated. 1906 Excerpt: .Surgeon Vance reports, March 30, as follows: The last yellow fever patient in this port was taken ill on the 7th instant and the case was announced on the 11th instant. It was a mild case, and the patient has fully recovered, having resumed work about ten days ago. He was a nonimmune from the interior, who had come to this place about thirty days before he was attacked. After his recovery there was a very general and effective fumigation, and the president of the local board announces that fumigation will be repeated very soon. INDIA. Report from Calcutta--Transactions of service--Cholera, plague, and smallpox--Increase in plague mortality--Plague in Burma. Acting Assistant Surgeon Eakins reports, March 15, as follows: During the week ended March 10, 1906, bill of health was issued to the steamship Barenfels, bound for Boston and New York, with a total crew of 62....
