Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

THE REAL GANGS OF NEW YORK (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The subject of a classic history by Herbert Asbury and an Academy Award nominated film by Martin Scorsese, the gangs of The Five Points in New York have become the stuff of legend. But how much is legend and how much is fact? In this short book we examine the original gangs of the Five Points in New York and see how accurate the film was (spoiler alert: not very) and what Asbury may have gotten wrong in his original research on this era. From the Bowery Boys to the Dead Rabbits, we look at the gangs that operated not just in the Five Points, but also those who wanted a piece of the action there and engaged in gang wars that would leave even modern thugs quivering in their boots!.
