INHERITED MEMORIES - ISRAELI CHILDREN OF HOLOCAUST SURVIVORS

[DOWNLOAD PDF](#)

U.K / Cassell, 1999. Soft cover. Condition: New. No Jacket. In this book, the Israeli children of Holocaust survivors narrate their parents wartime biographies, and relate their own childhood, adolescence and adulthood to their parents' histories. They tell a harrowing tale of pre-war childhood in workcamps, extermination and internment camps. Other stories are fragmentary tales and secrets, which many children discovered late in life, often after their parents' deaths. The second part of the book opens with a review of the professional literature on 'second-generation phenomena'. It then deals with issues of the second generation growing up in Israel in the 1950s and 1960s, from personal and individual memories of home life, social and school experiences, army life and war experiences, to viewing changing Israeli attitudes to the Holocaust, its survivors and its place in Israeli politics. A 1st edition paperback, in new condition. (198 pages).
