By Carolyn Jarvis

Saunders, 2015. Online resource. Condition: New. 7th ed.. Language: English . Brand New Book. Get hands-on practice with physical examination and assessment skills! Corresponding to the chapters in Carolyn Jarvis Physical Examination Health Assessment, 7th Edition, this lab manual offers a variety of activities, exercises, and checklists to prepare you for the skills laboratory and clinical setting. And with the new NCLEX® exam-style review questions, you'll be ready to apply your knowledge and to succeed on the NCLEX exam. A variety of learning activities test your understanding with multiple-choice, short answer, fill-in-the-blank, matching, and review questions. Clinical objectives for each chapter help you study more efficiently and effectively. Regional write-up sheets familiarize you with physical examination forms and offer practice in recording narrative accounts of patient history and examination findings. Anatomy labeling exercises offer additional practice with identifying key anatomy and physiology. Narrative summary forms reflect the charting format used for narrative accounts of health history and for physical examination findings. A comprehensive glossary provides fast, easy access to key terminology and definitions. Reading assignments help you review corresponding chapters in the textbook and include page references. Audio-visual assignments tie videos of specific examination procedures to practical applications in the lab. NEW NCLEX® exam-style review questions help...
