Dual Karma is about a young woman named Cadence Maxwell. Cadences father died in a terrible drowning accident. Since, the accident Cadence noticed the pipes would break every time she would get upset. She also noticed she started having a recurring dream about a woman that looked a lot like her. In every dream the woman drowned herself, killing her and her unborn child. Later on in the book her dreams become more real until she doesnt seem to be dreaming at all. She is faced with wondering if she had some kind of power over water or if she was going crazy. Chapter by chapter the intensity grows right up till the shocking end to the story. I learned while writing this...
