Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Agricultural Developments in Angola, British East Africa, Rhodesia and Nyasaland, and Zanzibar: Their Effects on U. S. Farm Exports These programs are part of long-term development plans that each of the countries has to raise the standard of living and cash income of all the people. But except in Kenya, expenditures under these plans are principally for expanding and improving transportation and port facilities, high ways, electric power, and educational and related services. They are secondarily for agriculture, but agriculture is getting substantial help in all countries through annual government appropriations and by private and government commodity and cooperative marketing organizations and local African authority reserves.
