Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Jadon Productions, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. So called Prophecy Experts tell us that 1948 was the Super Sign that the end is near! In fact, we were told that Christ must return 40 years after 1948-- but, we all know how that turned out. Dispensationalists claim that God actually promised to restore Israel while she would be in a state of rebellion and unbelief, i.e. in 1948! However, in this powerful book, prolific author Don K. Preston (D. Div.) examines this claim and proves that 1948 had nothing to do with the fulfillment of prophecy! This is a must read book that will change the way you look at Israel, the end times, the modern prophecy experts and Bible prophecy as a whole. Wonderful resource book!.
