

A View from the Sticks: Mellow Ramblings of a Mildly Peeved Rustic (Paperback)

By The Hayseed Diaries

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A sideways look at the world through the eyes of a rustic; from politics to education; food fads to exercise; folklore to driving the country lanes and everything in between. A series of views on life taken from early morning chats with the irascible Neighbour Jim . A gentle poke at the worlds absurdities while offering up solutions that only a true hayseed could devise whilst dishing up a healthy portion of disdain for authority and the nonsense that goes with officialdom. There s surprising dips into physics and astronomy along side observations on tractor sizes, fly tipping, the NHS, scones, fifty shades of hay and the heartbreaking Life of Patch . Often amusing, sometimes informative, occasionally sad.

Reviews

Very beneficial to all of class of people. I am quite late in start reading this one, but better then never. You may like just how the writer create this publication.

-- Audra Klocko PhD

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Germaine Welch
