Reviews

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

STRANGERS AND WAYFARERS

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The passenger and mail transportation between the towns of North Kilby and Sanscrit Pond was carried on by Mr. Jefferson Briley, whose two-seated covered wagon was usually much too large for the demands of business. Both the Sanscrit Pond and North Kilby people were stayers-at-home, and Mr. Briley often made his seven-mile journey in entire solitude, except for the limp leather mail-bag, which he held firmly to the floor of the carriage with his heavily shod left foot. The mail-bag had almost a personality to him, born of long association. Mr. Briley was a meek and timid-looking body, but he held a warlike soul, and encouraged his fancies by reading awful tales of bloodshed and lawlessness, in the far West. Mindful of stage robberies and train thieves, and of express messengers who died at their posts, he was prepared for anything; and although he had trusted to his own strength and bravery these many years, he carried a heavy pistol under his front-seat cushion for better defense. This awful weapon was familiar to all his regular passengers, and was usually shown to strangers by the time two of the seven miles of Mr. Briley's route had been passed. The pistol was not loaded. Nobody (at least not Mr. Briley himself) doubted that the mere sight of such a weapon would turn the boldest adventurer aside.
