

Dream Psychology: Code Keepers: Secret Computer Password Organizer (Paperback)

By Sigmund Freud

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hidden in plain sight! A computer password organizer disguised as a classic work of literature. Keep all of your internet passwords in one place, cleverly disguised so prying eyes will never find them. Works perfectly when placed on a bookshelf among other books. Continues to work even if you just leave it out on your desk. Prying eyes will never discover your secret stash of passwords. This book contains the entire text of the classic book Dream Psychology by Sigmund Freud. The book was written in 1920, but the information in it remains relevant today. In the middle of the book you will also find 100 pages specifically designed to help you keep all of your internet passwords organized, safe, and secure. - Each page of the password journal contains lined spaces for the name of the website, your username, your password, and several lines of notes. - Letter tabs printed on the interior of the book help you organize your website information alphabetically. - Each lettered section is assigned a number of pages based on the amount of...

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in a remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

-- Cathrine Larkin Sr.

Very useful to all of group of people. I actually have read through and so i am certain that i will planning to study yet again once again down the road. I am just very easily can get a satisfaction of looking at a created book.

-- Mark Bernier
