Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

INNOVATIVE SMES BY GENDER AND AGE AROUND THE MARE BALTICUM GERMAN EDITION

Books On Demand. Paperback. Condition: New. 386 pages. Dimensions: 9.7in. x 7.4in. x 0.8in. At the 9th Hanseatic Conference 2014 in Hamburg, representatives from business organisations, academic institutions and policy makers from all countries around the Baltic Sea exchanged their experiences. This book contains the presented papers and a summary of the discussion of the participants. The elimination of discrimination by gender and age in working life is an important social concern, regardless of economic needs. But increased labour force participations of women and older people are also essential for economic reasons in the light of demographic developments and changed conditions. Currently high and ever growing shortage of entrepreneurs, managers and professionals are the factors that increasingly limit economic development. There is an urgent need to make better use of local labour potential, particularly via higher labour force participation of women and older people in general. Global competition requires high innovation and strong increases in productivity of the entire Baltic Sea region, and especially in the countries to the south of the Sea. The innovations and productivity of companies benefit from increased proportion of women. The greatest innovation and productivity reserves lie in the staff and organisational development, including education; improvements in this respect stipulate equal opportunities and strengthen competitiveness. This publication was developed as part of the flagship project of the EU Strategy for the Baltic Sea Region Innovative SMEs by Gender and Age (QUICK-IGA). This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
