Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

This is the story of King Cyrus and the people of Babylon, and how they worshipped idol gods instead of the one true God. This led to the destruction of Bel and the Dragon by the hands of the prophet Daniel. Serving other gods is vain and worthless. There is only one God, who is worthy of worship, and that is the God of your Holy Bible and none else. Serving any other gods is to your own hurt. (Jeremiah 25: 6-7) This item ships from La Vergne, TN. Paperback.
