Reviews

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. Your life period will likely be transformed once you comprehensively read this book.

(Blanca Davis)

ARCHIE COMICS, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. This is Archie s new sister volume to our all-time fastest-selling graphic novel series, featuring a focus on stories from the GOLDEN AGE of comics. Archie expects this to do very well as a full-color 416-page \$9.99 volume. It will be the first in a three-part series, to be joined in the calendar year by SILVER and BRONZE AGE volumes as well. In 1941, Pep Comics introduced Archie Andrews, America s newest boyfriend. Since then, Archie and his perennial teenage friends have entertained young and old alike with their hilarious misadventures. In this volume, you ll journey to a bygone era and unearth the roots of an American institution. The frantic forties and fifties -- a time when the comic book industry was young and anything was possible. Stories from this Golden Age of comics had an anything goes quality -- perhaps none more so than the freewheeling antics of Archie Andrews and his friends.
