It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

ANASSA: BOOK 2 (PAPERBACK)

Hachette Children s Group, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. A compelling fantasy adventure with a strong feminist message, for fans of Melinda Salisbury and Victoria Aveyard. Less than a year since their cities were joined, the people of Athenas and Metis are still arguing. When the island is invaded by Vulcan, whose resource-ravaged, overpopulated island wants to claim Chloris as its own, Etain s new leadership is compromised. The only way she can restore her people s confidence and save her island is to take up a sea quest to retrieve a magical item from a volcano. Alongside her brother Taurus, Etain sets sail for the volcano. But they soon discover there is more to the quest than they realised. It s up to Etain to be the leader she is destined to be. Should she fight, or should she try to unite? Impressive and thought-provoking - this is a skilfully constructed fantasy adventure with strong, distinct central characters and an ending that will have readers desperate for the next episode.
