Brand New Book ***** Print on Demand *****.Excerpt from Industrial Education: Summary of Legislation Concerning Industrial Trial Education in Public Elementary and Secondary Schools The presentation of the material assembled in the following pages is due to the suggestion of the American Association for Labor Legislation, that a classified summary of the existing legislation relative to Industrial Education in public elementary and secondary schools, would be timely in this day of many earnest endeavors to adapt the work of our educational system both to the modern requirements for individual efficiency and to the demands of the new industrial order. My immediate aim therefore, has been to make a brief survey of the general statutory provisions which the various states are employing as instruments for the cultivation of the common school field to greater industrial productiveness. In general, it may be said that the trend of the development of our public school system is determined by the mutual reaction of two forces: first, a static public sentiment which would leave the existing order undisturbed; second, a progressive consciousness of the new needs of contemporary life...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
