Tom s Tooth is a fun story for all children expecting a visit from the tooth fairy and who are beginning to read on their own. Can his brother and sister help?The Tiddlers series features fun stories with a word count of fewer than 50 words for children who are just starting to read. A word list at the beginning of the story allows for a quick check of the reader s ability to read and understand words before reading, and a spot the picture puzzle at the end of the story encourages rereading for pleasure.
