Andrews McMeel Publishing, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Pooch Cafe s is creator Paul Gilligan s first syndicated strip, and this book collects the strips from its successful first year of syndication. When Poncho s beloved master Chazz marries cat lover Carmen and forces them to move in with her and her feline brood, Poncho s world is shaken to the core. Carmen s attempts to bribe Poncho with cheese cannot overcome his inexplicable but undeniable disdain for all things cat, and now that his home has become a haven for them, his only recourse is to seek refuge in the cafe, where he, Boomer, and his other canine pals pore over their top-secret plans to construct a giant catapult with which to hurl all the Earth s cats into the sun. As much as he dislikes kitties, he s equally passionate about his love for Chazz. Poncho will do just about anything to keep his position as man s best friend secure, including enduring the physical torments of Chazz s passion for biking, camping, and mountain climbing, which he can only get through with the help of classic Russian literature and a nice cup of tea. Pooch Cafea s captures the intensity of the human-dog bond in a way that will resonate with pet lovers everywhere.
