Medical and Surgical Report of the Presbyterian Hospital in the City of New York, Vol. 9: July, 1912 (Classic Reprint) (Paperback)

By John S Thacher

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Medical and Surgical Report of the Presbyterian Hospital in the City of New York, Vol. 9: July, 1912 The inoperable visceral sarcomata constitute a group of tumor cases of very great interest on account of their comparative variety, multiplicity of type and tendency to spread by metastasis. In adding five cases to the literature I have considered mainly the clinical aspects of each, with comments upon the relative frequency of similar growths, as far as the. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
