Calvin Sharpe is a young black man growing up all too quickly in the 1970 s Deep South. His story takes the reader through one traumatic experience after another on his way to the successful life he always dreamed of; but was that dream really a nightmare? The suspense-filled novel, What You Don t Know Can Hurt You ingeniously weaves together the events surrounding the lives of Calvin Sharpe, an out of place country boy who eventually becomes a successful Atlanta entrepreneur; Miss Letha, his self-consumed, self-righteous grandmother; Zelda, his seductive high school sweetheart; Lavender, the hilarious, street-smart character who dances in and out of the story; Paul, Calvin s captor and tormentor; Zavier, his male lover; and Siri, a character with a shocking secret of his own. The novel is filled with witty characters, steamy romance, realistic interactions, incredible irony, suspense, murder, and a surprise ending that will blow the reader s mind.
