THE WARSAW ECONOMY IN TRANSITION

Avebury, UK, 1996. Hardcover. Condition: New. First Edition. 203 pages. Available Now. Book Description: This work provides an assessment and forecast of the structural economic changes transforming the Warsaw economy and how they are recasting the City's economic and physical structure. This study uses unpublished statistical data and tailor-made surveys to examine changes in employment, business investment, output, productivity, foreign trade, population, housing, infrastructure services and real estate. The authors explore the implications of these changes on the City's infrastructure...
