This thoroughly delightful book explores, explains, and puts in context our biggest fear- our own mortality! The very word Cancer evokes a primal fear that we are all mortal and will, at some point, die. My own experience, on a personal level with cancer, access ports, chemotherapy, radiation therapy, and major surgery was very sobering! Dr Kevin Ryan has given us all a new perspective on how to live with and conquer our biggest fear! This book is a must read for anyone living with cancer, their families, and the entire treatment community. When Tumor is the Rumor, and Cancer is the Answer will help each of us to triumph over this experience, regardless of the outcome! -LT.
