Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Your customers and prospects are too busy to bother with any salesperson who promises to add value without an in-depth understanding of their business. The only way to add measurable value to your customers-the kind that gets the attention of high-level decision makers-is to understand how their business generates cash, bring solid ideas for improving their cash flow engine, and speak the language that resonates with them. Bottom-Line Selling shows you how to stand out by becoming a cash flow engineer. I read a lot of business books, more than 100 a year, and I can say without question that Bottom-Line Selling is absolutely one of my all time favorites. That s why I like Bottom-Line Selling. It shows you how to make sense of your customer s numbers, find untapped opportunities and...
