Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Price Jones is young, handsome, and already spiraling down the drain in a sea of alcohol. He chooses sex as his release, indiscriminate and plentiful, and for that he paid the price in many ways. The young novelist carries the weight of the world on his shoulders and wants nothing more than to be loved and the warmth of a woman's touch. After losing his mother to a heroin overdose, Price finds in search of redemption and emotional healing. His seems to be fulfilled, until life continues to remind him of his past mistakes. Can Price finally learn to respect himself? Will he finally spread his wings and fly? Is Iris the muse he needs to feed his creative and soul-deep need to be his version of a good man? Will she be the wind beneath his wings? Or will it be Benu, the woman who sparks the light to his soul? Or will the trauma of his childhood keep Price from accepting love altogether? GOD IS A WOMAN is a heartfelt tale of one man's journey toward self-destruction that could only be halted by one special woman. Just finished God Is A Woman by Such a compelling read and I highly recommend it! Gives a true perspective of life - Jaz Leigh via twitter.
