

Alexander of Terra Alexander Galaxus Book 1

By Christopher L. Anderson

Paperback. Condition: New. 268 pages. Alexander Thorsson is at the center of a Galactic firestorm. The sentient races of the Galactic community want him, fear him, despise him and idolize him. That's news to Alexander; he doesn't even believe in extra-terrestrials. Go figure. Alexander is a nobody. He had his chance in the NFL, but injuries forced him out into the real world. He drones about the planet in his airliner, shuffling people from point A to point B, thinking he was meant for more than this. So do the Scythians. The Scythians, a smallish, semi-telepathic sentient race, think they've found their man. The Scythians are on the verge of economic hegemony over the Galaxy, but the warrior race of Chem stand in their way. Having no military of their own, the Scythians use that brilliant, adolescent and violent race from Terra--Humans--as cudgel. After all, every Galactic child knows the violent history of Terra. Terrans are the most physically powerful sentient beings in the Galaxy and their propensity to technological growth from cart to nuclear bomb in a century is unheard of and terrifying. Then there was Alexander the Great, who looked to the stars and saw in them more worlds to conquer....
