This book is for immediate Exam takers, not a long semester outline. Author s bar exam essays were published after the bar exam. . Author s bar exam essays were published as model essays. US jurisdictions offer bar exams either once or twice a year. Each state is a separate jurisdiction in the way England and Wales is a different jurisdiction from Northern Ireland or Germany. For that reason the format and length of bar examinations vary. For instance some states have 2-day bar exams and others have 3-day exams. Some states feature hour-long essays while others have short 10-minute essays. Some states have elaborate performance tests with fictional but real-to-life case files, others simply include the performance test in the multi choice examination, which is called MBE - the multi-state bar exam. Nevertheless all state bar exams consist of essays, MBE and performance tests.
