Join the epic family saga of the Ouellette werebear clan in Safe Harbor, Canada. Four women take you on an adventure of true mate love, danger, and intrigue in the trilogy Desired by the Bear. Nadia s life as a model is practically picture perfect until the day werebear hunters send her running. She lands in Safe Harbor with the Ouellette clan, but Nadia knows better than to call yet another place home, and she settles in to do the one thing she knows best, fight. Izzy s rescue from drowning set her on a course for a fresh start as a woman capable of love and compassion. Her savior and clan alpha, Jean Luc Ouellette sealed their true mate bond to break the bi-polar curse, but when Izzy finds out she s pregnant and experiences mood swings that are reminiscent of her past, she fears for her children. Kelsey moves to Safe Harbor for an internship at the most prestigious boat-building company on the East Coast, Ouellette Yachts. She finds more than the start of a brilliant career when she falls for Val and discovers a family secret that opens up a whole new world. But as the truth comes out a disastrous mistake threatens to take it all away. Tally spends her days tending to the needs of the Ouellette clan as their medicine woman, and she enjoys the perks of hunky werebear coming to visit her daily. Especially one named Marcel. But an evil force has plans for Tally that make her chance at love a near impossibility.
