

## A Theology of Dao (Paperback)

By Heup Young Kim

Orbis Books (USA), United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. East Asian theological perspectives, as an antidote to Western modes of thinking, can present an alternative hermeneutic to the dualism inherited from Greek philosophy that still prevails in Western theologies. Contemporary theologies (including Asian theologies), heavily influenced by this dualism, are often divided by two macro-paradigms; namely, theo-logos (classical theology) and theo-praxis (liberationist theology). Heup Young Kim argues for a third way, the Dao paradigm of theology, that can encompass these disparate traditions but also move beyond them into more fruitful theological, scientific, and philosophical areas of reflection. Offering valuable insights for interreligious dialogue, Kim also addresses a number of subfields of theology including Comparative Theology, Christology, Pneumatology, Liberation Theology, and Ecclesiology.

### Reviews

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*-- Keanu Johns*

*This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.*
