Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every day, we expand and tackle new challenges together with our customers, and this book is supposed to compile our efforts to support entrepreneurial spirit and small businesses. With each day, new challenges appear and in the current fast paced world of technology and IT, it is important to stay one step ahead of things and never miss out on a moment to act. We made sure to cover all important points and compile everything that you need to know into these pages. This book is split into three big parts: Entrepreneurship, Digital Amplification and Cloud Computing; each with their own chapters and topics that cover most of the tips and tricks to get you started. From dangerous business decisions and business innovation trends, to various tips on cash flow, online presence and e-commerce, we covered it all.
