Reviews

Merely no words and phrases to describe. I really could comprehend almost everything using this created e pdf. Your daily life period will be change once you full reading this ebook.

(Mr. Ladarius Stoltenberg)

FROM THE GUYS WHO WERE THERE: THE KANSAS CITY ROYALS

Ascend Books. Paperback. Condition: New. 272 pages. For 365 days, the Kansas City Royals have lived with the specter of the 2014 World Series hanging over their heads. Game Seven. At home. Bottom of the ninth. Madison Bumgarner on the mound and Royals star Alex Gordon 90-feet away on third base, representing the tying run. And as dramatic as that all sounds, it really does no justice to the remarkable, record setting journey the Royals traveled through the 2014 season, a thrilling victory in the Wild Card game, and the playoffs in order to reach that moment for the first time in three decades no less. Any fan knows how it ended. With Gordon's feet planted firmly on third base as Salvador Perez, the team's All-Star catcher, faced Bumgarner the seemingly invincible left-hander of the San Francisco Giants and popped out to end the game, the series, and the hopes of the 40,000 fans in attendance. But 2015 was a new year, and a new opportunity. And these weren't the same Kansas City Royals as before; the underdog catching everyone by surprise with their resilience and tenacity. These Royals expected to win, which they did. Big time. Cruising to their first division title in 30 years, the 2015 Royals proved their mettle in the post-season time and time again, setting records for comeback victories and proving the old adage that, indeed, it's never over until it's over. Now, fans have a new opportunity to share every moment of the 2014 and 2015 seasons through the eyes of the players, coaches, scouts, and front office staff who made them happen. From the Guys Who Were There: The Kansas City Royals takes you inside the clubhouse and onto the field, as the Royals recount the moments...
