Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book was created to share the artwork of Artist Tricia Jacobs. You can color, journal, and study the Bible while reading this book. There are places for notes, doodles, coloring, and self expression. Each drawing is original and out of Tricia s own imagination; her sketchbook, and drawing tablet are full of ideas as she expresses her love for Jesus Christ. She hopes this book helps you to express yourself freely as we worship our Savior together, through art. How to use this book: Bible Study, Coloring, Sketching, Doodling, Notes. Our favorite pens to use for coloring and note taking are fine point pens. They come in a variety of colors and don t usually bleed through the paper. Colored pencils, watercolor pencils, gel pens, and watercolor paints are fun to use too. If you use markers, watercolor paints or pencils, you ll want to put a stiff piece of thin cardboard behind your page as you draw. This will help curb the bleed-through you get from some paper types. We have inserted blank, note, and doodle pages after artwork to assist with bleed-through. Also, using minimal water with the paints and placing a paper towel between layers to dry overnight is helpful. More tips and a list of our favorite art supplies are available on our website at: This book contains 98 pages and is suggested for preteens, teens, and adult age groups.
