Poetry Wales Press. Paperback. Book Condition: new. BRAND NEW, Understudies: New and Selected Poems, Anne-Marie Fyfe, Since first appearing in *Late Crossing* in the late Nineties, Anne-Marie Fyfe's life studies have focused increasingly on the disconcerting underside of small-town and suburban banality, on the underlit corners of apartments, waiting rooms, underpasses, on doppelgangers and stand-ins, on clandestine, undercover operations and escapades. So many cherished objects, long forgotten or only half-recollected, so many places on the verge of mattering, so many lives spent rehearsing for moments that never arrive: *Understudies* brings together new poems of optimism and isolation, of assumed and confused identities, with some of the poems from *The Ghost Twin*, *Tickets from a Blank Window* and *Late Crossing* that first brought readers into this world of lives at once chaotic and oddly consolatory that lie below placid surfaces.
