

The Action Camera Handbook: Getting the Most from Your Action Camera (Paperback)

By Jim Mohan

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Action Camera Handbook is designed to be the comprehensive instruction guide that didn't come with your new camera. While not focused on one brand of camera, it covers the main features and settings common to nearly all low and medium priced action cams. Overlooked settings in the various menu trees in these cameras can make a huge difference in the quality of the recorded images. Sometimes users give up on their cameras as just being a dud when in fact, user error or lack of understanding is the primary culprit. The Action Camera Handbook describes the common accessories often bundled with action cams you'll want to understand to get the most from your new gadget. From the big third party accessory collections of harnesses, adhesive mounts and J-hooks to gimbals and even drones, they're all covered. The Action Camera Handbook also offers some suggestions to get the most from your action cam in terms of telling your story, planning your shots and editing your final project. Here are just a few of the topics included...
