Little, Brown Book Group, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. In most stories we get the perspective of the hero, the ordinary, the everyman, but we are all the hero of our own tale, and so it must be true for legions of monsters, from Lucifer to Mordred, from child-thieving fairies to Frankenstein s monster and the Wicked Witch of the West. From our point of view, they may very well be horrible, terrifying monstrosities, but of course they won t see themselves in the same light, and their point of view is what concerns us in these tales. Demons and goblins, dark gods and aliens, creatures of myth and legend, lurkers in darkness and beasts in human clothing . . . these are the subjects of THE MONSTER S CORNER.
