Along with the fad diets came the supplements. At first, some of the supplements seemed like they could be of benefit to you and healthy for you to consume, but as time goes by so does the supplement industry. Supplements are now chemically engineered magic potion pills. Some of them do help you lose body fat, but at what expense to your health? It doesn't have to be this complicated! If you are tired of riding the diet roller coaster and jumping on and off the hope train of the supplement industry, then you have come to the right place. This is where, armored with the truth, you can take control of your body and achieve your dreams for good. So read this book, apply the principles, and lose...
