GRASSLAKE JUNCTION

Tate Publishing Enterprises, United States, 2012. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****. The boy, who looked like the Huck Finn of North Wisconsin, blurted out with a laugh, No, I don't believe ya when ya say yer gonna be our teacher. We're gonna have a man-teacher, an you don't look like no man. But, yer kiddin me; ain't so? The board of education and the parents of Grasslake Junction wanted a man-teacher for the children in their school-one who would be willing to use a willow whip if need be, to show the pupils who was boss. What they got was a student teacher, just a few years older than the children, who refused to take the whip in his hand. However, he had a song in his heart and knew how to put it to use. The young teacher, Ted Yahntzen, regulated the children by including singing in their lessons, especially lessons concerning their faith. There was controversy, to be sure, during Ted's time at St. Martin's Day School, but the Lord was always with him, guiding Ted along his path. Through this heartfelt novel, author Arlo T. Janssen, finds the true spirit of education, of facing new challenges and overcoming prejudices, of seeing beyond the past and working toward a revolutionized future. Grasslake Junction strikes a chord with anyone willing to dive into a time gone by and see how one man can change lives one student at a time.
