Of course, the double standard is alive and well and Malcolm Jones, the broadcast meteorologist known as Colm to his friends and The Hurricane Hottie to his fangirls, knows that fame can hurt just as much as it helps. When Colm moves to DC, he s excited to work with Radhika--her professional reputation is sparkling, and so are the kisses they shared that one weekend over a year ago when he was in town covering a blizzard. But when Radhika is paired up with Colm for a project, all she sees is a looming storm over her carefully constructed career. Sparks still fly between the two journalists, and if they re not careful, lightning might strike and alter the course of their lives forever.
