

Staff Development on a Shoestring: A How-to-Do-it Manual for Librarians (Paperback)

By Marcia Trotta

Neal-Schuman Publishers Inc, United States, 2011. Paperback. Condition: New. New.. Language: English . Brand New Book. Staggering reductions in library funding are forcing library managers to get even more creative about staff development which is needed more now than ever as library usage increases. In *Staff Development on a Shoestring*, former New Jersey Library Association President and award-winning library director Marcia Trotta details innovative in-house training solutions, co-partnership opportunities, distance learning programs, and case studies from around the world. Managers and training coordinators who read this helpful guide will understand how to make smart programming and resource decisions and how to use appropriate web technologies, and they will have customized resources at their fingertips. The practical solutions Trotta presents will help readers feel energized, empowered, and confident in applying the unique approach she takes to encouraging staff learning and professional development. To round out *Staff Development on a Shoestring*, Trotta includes many more than 30 checklists, outlines, surveys, and handouts ready for readers to quickly adapt to their library, plus a directory of resources for staff development and continuing education. Whatever the size of your budget, *Staff Development on a Shoestring* will help your library's staff stay current with...

Reviews

This publication can be really worth a go through, and a lot better than other. It is actually written in straightforward words and phrases instead of confusing. I discovered this pdf from my dad and I suggested this publication to learn.

-- *Jackeline Rippin*

A high quality book and also the font employed was intriguing to read. I was able to comprehend every thing out of this created e book. You won't really feel monotony at whenever you want of the time (that's what catalogues are for concerning should you check with me).
