BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. When seventeen-year-old Skylar escapes the time-bending Enforcers, who secretly control Earth, her troubles have just begun. She and her friend Win take refuge on Win's home space station with his fellow rebels, but the fate of Skylar's planet still spins out of her control. To avoid detection, Skylar poses as the Earthling pet of Win's rival, an arrogant boy named Jule. Homesick and faced with a cool reception from the other rebels, she throws herself into the group's mission: assembling a weapon to disable Earth's restrictive time field. Gradually, Skylar's skill for detail gains respect—even from Jule, who is more vulnerable than he lets on. Yet challenges spring from every side. Not only must Sky navigate the muddy waters of romance, but suspicions of betrayal grow among the rebels as their work narrowly misses sabotage. In the latest in Megan Crewe's Earth Sky series, can Skylar expose the traitor before time runs out and Earth is destroyed?.
