Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 178 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. In this second volume, students continue to feast on the Middle Ages through interdisciplinary learning for grades 5-9. Each unit contains a touch of reading, writing, and mathematics. Students consume the Medieval era through short history lessons, extended art projects with step-by-step instructions, and short quizzes. Students have a chance to snack on more castles and stained glass with a couple of shields added to the mix. There is an introduction to visual art concepts relating to the Italian Renaissance such as chiaroscuro and linear perspective. The ingredients of each unit are reproducible and have been kid-tested and are teacher-approved. Inside is a recipe for more Medieval fun that allows flexibility for any classroom teacher or home school facilitator to add his/her own spices. This item ships from La Vergne, TN. Paperback.
