Visit us online at - - The mere existence of some yet unidentified flying objects necessitates a constant vigilance on the part of Project Saucer personnel, and on the part of the civilian population. Answers have been - and will be - drawn from such factors as guided missile research activity, balloons, astronomical phenomena. . . . But there are still question marks. Possibilities that the saucers are foreign aircraft have also been considered. . . . But observations based on nuclear power plant research in this country label as highly improbable the existence on Earth of engines small enough to have Powered the saucers.
