Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.
(Prof. Damon Kautzer III)

1956: THE YEAR THAT CHANGED BRITAIN (HARDBACK)

Biteback Publishing, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. 1956: a defining year that heralded the modern era. Britain and France occupied Suez, and the Soviet Union tanks rolled into Hungary. Nikita Khrushchev's secret speech exposed the crimes of Stalin, and the Royal Court Theatre unveiled John Osborne's *Look Back in Anger*. Rock n roll music was replacing the gentle pop songs of Mum and Dad's generation, and it was the first full year of independent television. As post-war assumptions were shattered, the upper middle class was shaken and the communist left was shocked, radical new ideas about sex, skiffle and socialism emerged, and attitudes shifted on an unprecedented scale - precipitated by the decline of Attlee's Britain and the first intimations of Thatcher's. From politics and conflict to sport and entertainment, this extraordinary book transports us back in time on a whirlwind journey through the history, headlines and happenings of this most momentous of years, vividly capturing the revolutionary spirit of 1956 - the year that changed Britain.
