An innovative, evidence-based program that has proven effective in helping young children learn the social and emotional skills necessary for school readiness and success. The teaching approach combines a number of sensory modalities, using stories, mnemonics, coloring books, songs, role-playing, and visual aids. The curriculum is built around four original stories and songs - featuring delightful animal characters:\* Rosie the Roadrunner learns to follow directions\* Prairie Dog Pete learns to share\* Roscoe the Raccoon learns to manage his behavior\* Prickles the Porcupine learns to solve problems The program has been thoroughly field-tested in clinical trials and in Head Start preschool settings. It is also appropriate for young children in child care situations and for school-age children in early elementary grades. Older students can read aloud, and younger students and nonreaders can listen to the teacher read the stories as they look at the illustrations. Students will also have fun coloring in their coloring books.
