

In barca col piede giusto. Consigli per andare in barca come veri marinai

By Sciannimanico, Daniele

Il Frangente, 2011. Condition: new. Illustrazioni di Musante G. Verona, 2011; br., pp. 72, ill., cm 15x21. Un breve manuale, ma ricco di preziosi consigli pratici per armatori "alle prime armi" e per neofiti che si accingono a scoprire "il pianeta barca" con le sue regole e le sue particolarità. Il tutto è visto da uno skipper professionista, attento osservatore di ciò che accade in barca durante una crociera. I suoi consigli sono il frutto di molti anni di navigazione con ospiti e amici a bordo, ognuno con il suo carattere, le sue abitudini, i suoi timori. ma la convivenza a bordo non ammette scuse: "qui siamo tutti sulla stessa barca" e le regole sono uguali per tutti. Gli argomenti toccano i temi tipici della vita a bordo: bagaglio, scarpe e calzature, consumi di acqua ed energia elettrica, cambusa e cucina, creme solari, maschere, pinne e boccagli, ormeggio, uso del tender, servizi igienici, pulizia della barca, mal di mare, nozioni sulla sicurezza, un po' di galateo marinaresco. In appendice, un breve glossario dei termini nautici più in uso.
