An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

IN THE DARK ROOM

Lulu Press Inc, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The mannequins are here again. I can feel them throbbing in my ears. They re standing around in the kitchen, impassive as stone. But inside they re laughing. I m not getting out of bed for them, not this time. In the Dark Room is a surreal novella written and illustrated by James Knight, author of Head Traumas. The story is narrated by a bedridden man who finds himself besieged by memories, fantasies and the mannequins at the bottom of the stairs. Knight s combination of words and pictures invites us into a strange yet familiar world, governed by the logic of a dream.
