Sometimes it is easier to tell someone how something occurred then it is to explain why. Exactly how a dragon ends up wearing pants and not wanting to be touched by any females probably falls into this category. Ladies Please Dont Touch The Dragons is a story about those kinds of things Dont get me wrong, Zephron is a dragon. He is really not interested in pretty clothes or fancy things; no way! He is a true green-blooded, full-blown, pure-pedigreed one hundred and one percent dragon, with a long tail to prove it. The only thing I know meaner than Zephron is his brother Mybar. Zephron admits on occasion hell wear a size 68 waist, regular long even though this size is a bit of a squeeze for him. Mybar polishes his scales and laughs at Zephron because he doesnt wear pants at all. Now Albert, (this is the strange bit) hes their human friend. Its strange because before he met Zephron Albert was going to become a slayer; a dragon slayer that is. Of course all that changed when he met Zephron. One things for sure Zephron has got some heavy-duty explaining to do. Ill let him get started and he can tell you what happened in his own words. It is quite a story. This item ships from La Vergne, TN. Paperback.
