

Chimes of Mission Bells: An Historical Sketch of California and Her Missions (Paperback)

By Maria Antonia Field

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In presenting this modest volume to the public, I wish to call the attention of my readers to the following facts. Firstly, my humble work is a work of love-love simple and unalloyed for the venerable Spanish Missionaries of California and for the noble sons and daughters of Spain who gave such a glorious beginning and impetus to our state. Being a direct descendant of pioneer Spaniards of Monterey, I take a particular interest in California s early history and development and as my family were staunch friends of the Missionary Fathers and in a position to know the state of affairs of those times, and to family tradition I have added authentic knowledge from reading the earliest archives of San Carlos Mission, as well as other historical references, I feel I can fearlessly vouch for the truthfulness of my little work. Secondly-while fully appreciating the sympathy and interest of many charming and intellectual characters who grace California to-day, it must be admitted that there is a sadly ignorant or misinformed number who scarcely seem to know who Spaniards and...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
