Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Mental Therapeutics: Or How to Cure All Diseases With the Mind In giving this work to the public, I have no desire to antagonize any other method of curing the body of its troubles. I feel now, as I have felt ever since I heard of the first mind cures, that there must be some law um derlying all such remedies. I believe there is only one mystery in the whole universe that Will never be solved by man. All others will be known in time. It is man s mission on earth to discover the solutions. If it were not so, life would be intolerable. If we look back over the many wonderful mysteries that have been made plain, we will see that it is not unreasonable to make such a statement. When we stop and think that the force of gravity is drawing all material of weight to the very lowest point toward the center of the earth, we can but draw the con clusion that the time will come when the earth will be absolutely smooth on its surface. Now, when that time does arrive, the pro phecy of the Bible will have been fulfilled, that every mountain and hill shall be laid low.
