## MURDER MAYHEM CAN BE FUN (PAPERBACK)

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have always enjoyed unusual things and in many ways this book displays my passion for strange. We have Yorek, who lived the good life and was struck down in his prime at his 95th birthday party. Barnwick Humbug is every small town s politician, until he converses with his cat, Jasper, for advice. Faith and Calvin were at one time star struck lovers until Calvin found a sex kitten to add to the group, he learns a valuable lesson. Fairy Tales are really quite gory and vicious. The big bad wolf is always coming to town to blow down houses or threaten old ladies. Innocent women are usually the victims as in Snow White, Sleeping Beauty, Cinderella and we must not forget poor Peter s wife stuck in a pumpkin shell. Who do we all find disturbing? That voice that tells us you now have four options. Lydia the grandmother from the past finds help in the future. Six games to play at parties.
