Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Rejection Syndrome by Margaret Rogers Van Coops, Ph.D DCH(IM) WHO COULD USE THIS BOOK? In our daily lives, all of us experience moments of rejection, either by ourselves or from others. These moments create an internal impasse. Dr. Margaret Rogers Van Coops assists those wishing to be free of these encumbrances, which are brought about by The Rejection Syndrome. This is about a pattern of existence that compounds habit, routine and conditioning, leading to limitation, restriction, judgment and competition. Learn about the Soul Structure and how you can use it to be aware of yourself and to perform to the best of your ability without negativity or rejection. See the traps and avoid them. Eventually, I had all the intellectual answers. I tried desperately to apply this knowledge in my professional and family lives. I pointed the error of my ways to those who sought my counsel. Many were glad to receive my advice, but those closest to me had deaf ears. My pain and anger climaxed into a massive breakdown. I was dying. I, myself was droming in The Rejection Syndrome. But now, I am back.
